

PorkCARE Public Comment Summary

The following summary is an assembly of comments received February 1 – March 14, 2022 in response to the proposed updated PorkCARE Standard.

- During the initial 15-day comment period (February 1-15, 2022), comments were received by 4 different organizations. Various stakeholders in the pork industry are represented. One organization responded with feedback in the second 15-day comment period (February 25 – March 14, 2022) reiterating comments submitted previously.

- Most (approximately 77%) of the feedback received was specific to the Animal Care criterion.
- Approximately 20% of the comments were general in nature or provided feedback on the Environmental Stewardship or People & Community categories.
- The remaining comments submitted were regarding clarification on meeting the standard, how the standard would be assessed during an audit, and marketing of the product.

THANK YOU to everyone that has expressed interest in the PorkCARE Standard and took the time to provide feedback.
