

BeefCARE Public Comment Summary

The following summary is an assembly of comments received March 8-April 15, 2021 in response to the proposed BeefCARE Standard dated 02/22/21 and updated 3/28/21.

- During the full public comment period (totaling 38 days), 9 individuals or organizations submitted feedback to Where Food Comes From, Inc. There were 7 comments received during the initial 15-day period, with an additional 2 comments received in the secondary comment period. Various stakeholders in the beef industry are represented within the comments summarized below.
- Most comments received (56%) were general in nature. Two submitted comments requested edits to the standard, one to the People & Community pillar and one to various components of the Animal Care pillar. The remaining feedback requested clarification on meeting the standard or how the standard would be assessed during an audit.

THANK YOU to everyone that has expressed interest in the BeefCARE Standard and took the time to provide feedback.
